

Monotony

*Clouds, more clouds, and even more clouds.
With all this excitement, you might just nod off.*

Ignore the effect of the  icon.

You fall asleep. Meanwhile, the hot air balloon continues its course, blown by the wind...

 & each character returns their **tired** state.

Return all the cards on the Board and in the Past.

Put a  card into play and put the **balloon** figure onto it, along with the figure of each character taking part in the adventure. Take a  card.

You resist the sandman's call!

The active player does not have to take a  card.
